**Voice of Idaho Amateur Radio Club Mini-Meeting  
Wednesday, October 28, 2020**

**6:30 Set up for Zoom meeting:**

Check in to the meeting. To make sure your connection is good, this time is provided to figure out problems. This is also a good time to meet, greet, and catch up with folks we do not often get to see now. Gordon is the moderator and is available at 208 343-9530 if there is a problem. Technicians are standing by to assist with problems.

President's Welcome

Report on Elections

President's Comments

Officer Reports

VP

Treasurer

Technical Director

**Main Presentation: A Photographic Visit to War Eagle**

*Recent trips to War Eagle were documented by our President and Tech Committee Director.*

This exciting presentation shows our new repeater site. Many club members have waited patiently to see what War Eagle looks like. This is the opportunity for those of you who could not go in person to see what we have done. Many have given hours of service to this effort. This is one way to recognize and thank these people. If you encounter one of these people, please take the time to say "thank you."

**Presenter: Gordon Wilmoth, K17CZR**

Gordon is president of the Voice of Idaho Amateur Radio club. He is completing his second year as president. Previously, Gordon was Vice President and managed the VOI regional conference.
